Tesla Shareholder since 2021

Important to Vote for a Simple Majority Vote Standard - Proposal 7

This Proposal 7 is the exact same concept that the Tesla Board of Directors supported at the 2022 Tesla annual meeting. The 2022 Tesla Board of Directors proposal then won 98% support from the Tesla shareholders who voted for or against.

This simple majority vote standard proposal will help improve Tesla shareholder rights. Tesla now scores a dismal 9 in shareholder rights with 10 being the worse possible score. The Tesla Board of Directors supported this proposal concept in 2022 and I applaud their support.

Proposal 7 thus deserves shareholder support regardless of whether Tesla shareholders vote for or against a \$56 Billion pay package for one person or vote for or against no longer incorporating in Delaware.
