Congrats Elon on getting the pay you were promised and on your new incorporation in Texas.

Welcome to a state that has neither a personal nor a corporate income tax.

As some might suspect, these charts inversely correlated with my stress level over the past 6 weeks 🤔

And on that note, tomorrow is my final day, I won't be coming to Austin, but will certainly be watching the Livestream at home and then travelling for quite some time.

Thanks for all your support over the years ❤️ Over and out

I don't want to live in a world where the number one person on this list is slightly less rich — and now I don't have to.
