The Board of Directors (the “**Board**”) and management of Tesla, Inc. (“**Tesla**”) value, and believe that Tesla’s stockholders appreciate, the interpersonal connection and dynamic that is possible only with a live in-person annual meeting of stockholders. Therefore, due to continuing restrictions on in-person gatherings imposed by the relevant governmental authorities, Tesla is postponing its 2020 Annual Meeting of Stockholders (the “**2020 Annual Meeting**”), which was previously scheduled to be held on Tuesday, July 7, 2020, at 2:30 p.m. Pacific Time, at the Computer History Museum located at 1401 N. Shoreline Blvd., Mountain View, CA 94043. Certain specific dates, locations and presentation formats that will maximize the probability of an informative in-person event are under consideration, and Tesla will announce further details regarding the finalized date, location and format of the 2020 Annual Meeting at a later date.

Yes, but we will have to postpone annual shareholder meeting, as still no large gatherings allowed by July 7th. Not sure of new date, but am guessing maybe a month or so later.

Probably good to combine them, since they are converging in time. I’m hopeful we can announce a date after the July 4th week.
